CQIR (Ireland Calling: Preliminary Announcement: Win a trip to Ireland!). In 2007, the Irish Radio Transmitters Society (IRTS) celebrates their 75th anniversary of its founding in 1932. As part of its jubilee celebrations the Society is organizing an International Radio Contest, "CQIR - Ireland Calling". For this contest, references to Ireland means the island of Ireland and its offshore islands - both EI and GI. CQIR is a once-off event with a difference - overseas entrants with 75 or more QSOs have the opportunity to win a trip to Ireland. CQIR is a 24-hour, single-operator HF CW/SSB contest on the weekend of 29/30 September 2007. As this is the fifth full weekend in the month, there is no clash with any established event. CQIR is a celebration of both the IRTS Jubilee and the "Irish" amateur-radio community worldwide. It's where the Irish, at home and abroad, work the World - and where those of Irish descent identify themselves by including their ancestral county in the exchange, for example: County Limerick, County Antrim etc. Full rules and county codes will appear on the IRTS Web page at: http://www.irts.ie . Also, free software will be provided to support CQIR. [Tnx OPDX]
